

ImmoWorkout Services

Maximize recovery of funds with us

EXCON is your service partner for all matters in the handling of non-performing, secured bank receivables.

Following the establishment of contact with your customer, we organize refinancing of the outstanding debt, discretionary sale of the collateral property and any appropriate settlements. If required, public foreclosure auctions are initiated by an expert legal team.

Our committed and qualified staff work towards the best possible recovery of your receivables in accordance with the agreed targets, and in doing so safeguard your image and reputation. EXCON is an expert partner for the handling of problematic processes. Please do not hesitate to call in our advice.
