

Claims Management

Optimize your combined ratio

In claims management, EXCON Insurance Services takes on the handling of property damage and third party liability claims for the [insurance](#) and [property industries](#) in the frequent and major claims segments.

These services are based on two certified and nationally operating partner networks, one consisting of experienced craft firms which form an extensive repair services network, and the other a network of qualified independent experts for the surveying of damage and adjustment of losses.

Since the foundation of EXCON Insurance Services, we have established ourselves as an innovative and cost-effective partner within the [insurance industry](#).
